Invitation to Join the Approved List of Auditors for Projects Supported by Hong Kong Arts Development Council

HONG KONG ARTS DEVELOPMENT COUNCIL ("Council") is a statutory body established by the Government in 1995 to plan, promote and support the broad development of the arts in Hong Kong. The Council formulates policies, disburses funds and initiates development programmes in the arts to improve the quality of life of our citizens.

The Council hereby invites practising CPA firms to join the Approved List of Auditors to audit projects and proactive projects undertaken by various arts groups and organizations in Hong Kong, which are either funded by the Council, the Arts and Sports Development Fund ("ASDF"), sponsors or any other trust funds managed by the Council.

For projects funded by the Council, the Council requires every project grant exceeding HK\$100,000 to be examined by one of the Council's approved auditors. The project auditor will submit an auditor's report to the Council according to generally accepted auditing standards, the grant conditions of the Council and, if applicable, other project-specific requirements.

For projects funded by the ASDF, the Secretary for Home Affair (SHA) requires that every project grant exceeding HK\$100,000 to be examined by independent certified public accountants. The project auditor shall submit an auditor's report to the SHA according to generally accepted auditing standards, the grant conditions of the ASDF and other project-specific requirements. A copy of the report shall be sent to the Chief Executive of the Council at the same time.

For projects which are funded by sponsors or by any other trust funds managed by the Council, the fund providers would require certain projects to be examined by independent certified public accountants. The project auditor shall submit an auditor's report to the fund providers according to generally accepted auditing standards, the grant conditions of the fund providers and other project-specific requirements.

Practising CPA firms interested to become project auditors of the Council may send in an application form together with company portfolios detailing the size, history and experience of the CPA practice. Prior experience in the audit of Government or Non-governmental Organizations' projects, if any, should be highlighted. The application form could be downloaded from our web site at (http://adc.hk/auditor2010). Applicants selected by the Council will be invited to sign an engagement letter with the Council, and their names will be added to the Council's Approved List of Auditors for a period of two years commencing from 1 May 2010.
